Attendance for all students is MANDATORY during all summer rehearsals. This is our main learning and teaching opportunity. It is also the time that we first begin to gel as a group and ensemble. Should you need to miss any of these rehearsals you should talk with the director, Mr. Biasi immediately.

\*Once school starts, we will follow a M-Th rehearsal format, with all of the components of Winds, Guard, and Percussion rehearsing three days a week after school. The marching band does NOT rehearse marching music during the school day.
