Dear Friends of the Golden Hawks Band,

The Holly Springs High School Golden Hawks Band Program is in its 12th year. Since its inception in 2006, the HSHS Band program has included many levels of participation for our students: Golden Hawks Regiment (marching band), three indoor concert ensembles, indoor percussion, chamber and jazz ensembles and an expansive Color Guard program including students from high school, middle and elementary school levels. These programs have won numerous awards, honors and accolades at various competitions and festivals.

Our high school band program relies solely on funds raised by parent volunteers, student led campaigns, and band program supporters like you. These funds are used to purchase instruments, band uniforms, sheet music, competition props, instrument repairs, and to safely transport band members and equipment to our many competitions and performances. The support you provide is invaluable.

We invite you to be a part of the Band Program's continued success as a continued partner or as a new partner to the Gold Hawks Band Program. May 19<sup>th</sup> we will be holding our 3rd Annual Golden Hawks Band Scramble. Below are the sponsorship levels we are seeking.
