Fundraising and Finance

All dues were due 10/5/2015

Expenses are halfway completed and we're under budget

The budget will show a deficit in concert attire until students pay for their clothing. The uniforms have been ordered.

Spirit Nights:

Buffalo Wild Wings - December 16th

Fruit & Pizza/Cheesecakes - personal service, shipping service, online service. This can be one of our biggest fundraisers. They will ship out of state! A HSHS Band Booster personalized website will be created and live.

The band will receive a higher percentage from the local orders (40%). Orders taken until Thanksgiving with delivery of items after the concert in December.

Note on green oranges - they're still as sweet as the orange ones!

6-7 members of HSHS Bands were selected for the Triangle Youth Brass Band

Fall Semester Honor's Project is to try out for the All District bands.

You should already have purchased the materials needed (Music and Arts might be the best place).

Make sure to read over the requirements carefully to practice the correct ones.

Money will be due at the beginning of December.

There will not be a 9-12 band this year (two 11-12 bands, and one 9-10 band)

Everyone should try out!

The All District performance will be at the Meymandi Concert Hall and the clinics will be held at Apex Friendship.
